

I BIKE

BIKE FLOOR ART

DURATION: 30 MINUTES

MATERIALS REQUIRED: ITEMS AROUND THE HOME

ACTIVITY NAME

Aim: Create brilliant bike designs using everyday things from around your home!

Instructions: Search around your home for items of various shapes and sizes. Clear a space on the floor as your 'canvas'. Using the items you have collected shape these into the design of bicycles!

Extension: Research iconic bicycles through history such as the 'Penny Farthing', 'Boneshaker' & the 'Velocipede'. Find out what they looked like; what they were made of; who invented them and what year they were first made. See if you can recreate these historic bikes at home
