I BIKE

TREE-MENDOUS HISTORY

One moment in time

- Have a look at the ages of the trees you measured earlier, **choose the oldest tree**.
- What year was it planted? **Can you write a short story about what it would have been like to have lived in the year it was planted?** Use the questions below to help you

- Think about what might have been happening in **your local area** at this time, what was happening in **Scotland** and also what might have been going on in **the rest of the world**?
- Use all of your senses, what would you have **seen, smelt, heard, touched and tasted**? Did they eat the same food as you?
- Would it have been **easier or more difficult** to live in the time the tree was planted than now?
- How would they have got around? **Horse, bike, walk, car, plane, boat, hovercraft, penny-farthing?**
